If your parking pass number is between 1 and 37 you will enter Beale Street from 2nd Street and if your number is 38 through 120 you will enter from BB King Blvd (was 3rd Street). We will meet in the At Home (was Garden Ridge) parking lot at I-240 and Summer Avenue between 4:15 and 4:30pm for high numbers or 4:45 and 5:15pm when we have low numbers. Someone will give you your passes, then you will caravan and enter together! [MAP](#)

**When we disseminate the passes out, we must brief everyone on the rules concerning parking on Beale. They are as follows:**

1) Cars/Trucks must be tagged in their respective state and they must have proof of insurance with them.

- 2) Once the cars/trucks are parked, they must remain parked until they are leaving. No starting or racing their motors.
- 3) All cars/trucks entering Beale Street must have a hanging parking pass. Those without will be turned away. We will be parking on the south side of Beale Street. There will be individuals there directing you where to park.
- 4) Car owners will not be allowed to bring any coolers of food and drink with them on Beale Street.
- 5) NO BURNOUTS OR DRAGGING.
- 6) Cars/trucks will exit Beale Street on 4th street. When your car/truck is in motion please be aware of those that are walking on Beale Street.

Remember any violation of these requirements could jeopardize our plans for more Hot Rods on Beale, but for sure it will prevent that individual from being invited back next year.

There are many car shows all over the country every year. Even just Mustang & Ford shows are too many to list. That said, I will try to post all reasonably close shows into this and the website's calendars. If there is a far off show that you wish to attend and are looking for other members to cruise along with you, then please notify me before the next calendar is emailed out and I will include that show.
